7th Grade Enrollment Form (Elective Classes)

Student Name: _____

Art:7: (Semester) Fee $8.00 This is a semester course for creative individuals who wish to learn more about art. Students are given the opportunity for expression in drawing, painting, sculpture, design, posters, self-portraits, architectural models, pottery, and masks. Contests are entered and work is displayed in our gallery in the main lobby.

Band 7: (Year– write "BAND 7" on two lines). Instrumental music allows students to improve their playing and performing skills with daily class instruction. Students have the opportunity to participate in various contests and concerts during the year. Students should have completed a prior band class.

Business Media and Ethics: (Semester) The goal of this course would be to build upon the skills developed in Mobile Media at TSGA. This course would also help support the entire building with a basic infrastructure of computer, media, and professional skills that students could then utilize throughout their coursework. A review of Digital Citizenship and an introduction to Financial Literacy would also occur in this course. Ethics in business would be touched on as well.

Career Exploration: (Semester) Fee: $5.00 Students will learn through interactive computer modules, resource books, workbooks, and a variety of different materials to explore many areas of interest including Astronomy, Broadcasting, Bridge Design, Drafting, Computer Graphics, Electricity, Flight, Forensics, Light and Lasers, Music, Personal Finance, Robotics and more.

Chorus 7: (Year– write CHORUS 7 on two lines) Students practice and improve their singing skills during a variety of concerts during the year. In addition to learning how to sing and perform, students learn how to read music and explore some facets of music theory and history.

Family and Consumer Sciences 7 (FACS) : (**Semester)** Fee $10.00 This is a semester course for students to study nutrition and food preparation. They will learn the basic use of a sewing machine and complete and individual project. Students learn consumer responsibilities and budgeting.

Industrial Arts 7: (Semester) Fee $8.00 This is a semester course for students to develop a variety of skills in a working shop. Shop safety, safe machine usage, and the proper tools are stressed throughout this course using the problem solving process. Students design, build, and test several wood projects.

Introduction to World Languages: (Semester) This is a semester course for students to be introduced to a variety of languages and learn basic vocabulary , and conversational phrases. Students will study the respective culture, geography and unique history of the language that is taught.

Percussion Class: (**Year– write "PERCUSSION" on two lines**) This class will concentrate on percussion only. Students who have had previous experience in percussion may enroll in this class. Students enrolling in this class do not enroll in regular band class.
