

Turner Middle School

2022-2023

Live the Code

May 8, 2023

Dear TMS Families,

The end of the school year is quickly approaching. The next couple of weeks will be very busy, but students and staff will be working hard to put the finishing touches on a great school year.

Over the past few weeks, all students have participated in state assessments and MAP assessments. I appreciate the great attendance that we had during state assessment week. It certainly made the make-up process much easier. We are anxiously awaiting state assessment scores any day now. MAP scores are available to your student as soon as they log out of the assessment. I encourage you to ask them how they did. Many students showed great growth from their fall scores and have much to be proud of.

REPEAT: As we continue in our fourth quarter, we are also preparing for summer school. Summer school will once again be housed at Turner Middle School from June 5-30. We will be personally contacting families whose students will be required or highly encouraged to attend summer school very soon, but summer school is also open to anyone who would like to attend. You can sign your student up at the following link: <https://forms.office.com/r/bLwQtzbsQx>. If you have any questions, please call Mr. Grogan here at TMS.

The following are items to be aware of as we wrap up the 2022-2023 school year:

- The 8th grade dance is scheduled for Friday, May 12th from 7-8:30 PM in the commons. Students should enter through the front doors to be checked in. For pick up, please arrange for your

student to come out the front doors or the north doors. The dance is sponsored by our PTA and there is no cost.

- MacBook check-in will occur on Monday, May 15th. Students will need to turn in their MacBook with cover and a charger. Anything that is missing will be charged to their account.
