

Administrative Intern Job Description

Purpose: The Administrative Intern develops building-level administrative skills by assisting the Principal and other members of the administrative team in providing professional leadership to organize, administer, and provide support for a creative school program.

Responsible to: Principal

Supervises: Personnel assigned by the Principal

Payment rate: Salary and benefits to be established by the Board of Education

Qualifications:

1. Kansas teaching license and/or building-level administrative license, or currently enrolled in a state accredited building-level licensure program.
2. Minimum of three years successful experience in teaching and/or administrative and/or supervisory fields in education.
3. Special interest in professional development, curriculum, instruction and assessment, and all other aspects of educational leadership.
3. Health and Inoculation Certificate on file in the Central Office (after employment offer is made).
4. Desire to continue career improvement by enhancing skills and job performance.

Essential Functions:

1. Ability to work with principal, staff and parents on strategies that assist in continuously improving student achievement and instruction.
2. Ability to assist in providing professional leadership to organize, administer, and provide support for a creative school program.
3. Ability to assist in establishing an optimal learning environment within the school.
4. Ability to ensure all school programs and activities conform to District guidelines.
5. Ability to assist in establishing a positive learning environment and respond to the individual needs of students.
6. Ability to communicate and work effectively and constructively with members of the school district and community.

Page 2 of 2

7. Ability to react to change and frequent interruptions in a productive and positive manner, meeting deadlines as assigned.
8. Work to implement the vision and mission of the District.
9. Ability to work with technology/computer systems especially as they relate to the teaching and learning process.
10. Ability to supervise, direct, motivate, and collaborate with the building principal to improve teaching and learning within the school/s.
11. Ability to model commitment and dedication to work.
12. Ability to work independently and without supervision, and complete work in an efficient manner.

Physical Requirements/Environmental Conditions:

1. Must occasionally work in noisy and crowded environments, with numerous interruptions.

General Responsibilities:

1. Ability to support the functions of the school including student discipline and other supervisory duties as assigned by the principal.
2. Ability to assist the principal and administrative team in the overall administration of the school.
3. Ability to keep current on changes and developments in the profession by attending professional meetings, reading professional journals and other publications, and discussing concerns of mutual interest with others in the field.
4. Ability to attend extracurricular activities scheduled during the day or in the evening.
5. Ability to instill and promote quality instructional programs in the school and to ensure high levels of achievement from all students.
6. Ability to implement and follow all District health and safety policies, including all precautions of the Bloodborne Pathogens Exposure Control Plan.
7. Ability to perform other tasks and assume other responsibilities as assigned by the principal.

Term of Employment: Academic year as assigned.

Evaluation: Performance effectiveness will be evaluated in accordance with provisions of Kansas Statutes and Board of Education Policy.

Approved:

Assistant Director of Special Services Job Description

Purpose: The Assistant Director of Special Services assists the Director of Special Services in planning, implementation and oversight of the policies and procedures of special education and related programs. The Assistant Director works with district and building administrators to implement, guide, and evaluate programming for students with disabilities and/or exceptionalities in accordance with federal and state mandates and to support the district's mission for all students.

Responsible to: Director of Special Services

Payment rate: Salary and benefits established by the Board of Education

Qualifications:

1. Masters Degree in School Leadership and endorsement in at least one area of Special Education from an accredited institution.
2. Current Kansas Professional Education License in Administration and Special Education.
3. At least three years of teaching special education and/or a related experience. Prior leadership and/or administrative experience are preferred.
4. Health and Inoculation Certificate on file in the Human Resources Office (after employment offer is made).
5. Desire to continue career improvement by enhancing skills and job performance.

Essential Functions:

1. Provide leadership in organizing, supervising, and evaluating the effective delivery of research-based special education services.
2. Advocate for services that provide each student with the opportunity to make meaningful educational progress and to achieve an optimum level of cognitive, academic, communication and behavioral skills needed for school achievement.
3. Establish a positive learning environment throughout the district and adhere to the professional educator code of ethics.
4. Ensure all programs and activities conform to Federal, State, and District regulations and/or guidelines.

5. Communicate and work effectively and cooperatively with members of the school district and community organizations/agencies to promote a positive, instructionally effective school climate.
6. Operate equipment including technology if needed to perform assigned duties.
7. React to change and frequent interruptions in a productive manner, meeting deadlines as assigned.
8. Implement the vision and mission of the district.

Physical Requirements/Environmental Conditions:

1. Must occasionally work in noisy and crowded environments, with numerous interruptions.
2. Have ability to travel in personal or school district vehicle.
3. Be flexible regarding scheduling, working conditions, and locations.
4. May require some physical exertion.

General Responsibilities:

1. Provide leadership within the Special Services Department to monitor the achievement of special needs students and children and to ensure school, district, state and federal policies and procedures, i.e. IDEA and NCLB, are up-to-date and successfully implemented.
2. Analyze and interpret district/building data related to special education and while working with the Director of Special Services, use the information to align the service structure of all schools to meet the educational decisions of students with disabilities while maintaining equitable caseload/class size ratios.
3. Research, select and operationalize initiatives for the Special Services Department that align professional development, student progress, and efforts to close the achievement gap within the framework of fiscal responsibility, best practice instructional delivery, and personnel requirements.
4. Collaborate with the Director of Special Services and the Human Resources Department to assist with interviewing, hiring, orientation, evaluation, and professional growth/improvement planning of Special Services staff.
5. Assist with professional development regarding best instructional practices for students with special needs, including co-teaching, differentiated instruction, and successful inclusion.

6. Collaborate with district and building administrators to select instructional and curricular materials and resources to support student learning.
7. Co-coordinate scheduled meetings with related services providers within the Special Services Department to promote departmental and district priorities, staff collaboration and professional expectations.
8. Serve as the Special Services Department's representative for committee work related to Multi-Tiered System of Support, Positive Behavioral Supports, Student Improvement Teams.
9. Assist the Director of Special Services in collecting, analyzing and reporting student data related to state and district assessments.
10. Remain up-to-date regarding current special education state and federal laws and regulations and ensure administrative and instruction staff are informed of, and acting in compliance with the latest requirements.
11. Collaborate with Director of Special Services to review significantly challenging student needs, assist teams to reach consensus, and provide support to building teams working to facilitate appropriate interventions.
12. Supervise the selection of the web-based IEP resources, revise IEP compliance requirements and provide appropriate professional development related to writing quality IEPs.
13. Assist with district's effort to increase the number of practicum/fieldwork students, interns and student teachers in an effort to increase the pool of highly qualified professionals.
14. Assist the Director of Special Services in reviewing classified staff, supporting effective staff development needs, and monitoring state personnel reports for paraeducators.
15. Participate in efforts to positively promote the school district and the Special Services Department with community partners, stakeholders, parents, and patrons.
16. Attend appropriate district, local and state administrative meetings and be an active participant in school/district committees, and when appropriate, IEP and other team meetings, parent conferences, and staffings.
17. Collaborate with Director of Special Services to manage and allocate financial resources including federal and state funding and grant awards.
18. Plan for and co-supervise Extended School Year Services.

19. Demonstrate effective interpersonal relationships with students, parents, staff and the community and establish a positive climate for learning.
20. Maintain confidential records and provide timely reports.
21. Keep current on new information, innovative ideas and techniques by attending professional development activities.
22. Respond to requests in a cooperative, courteous, and timely manner.
23. Attend professional development in order to implement and follow all Federal, State, and District special education regulations and guidelines, health and safety procedures and policies, and employee obligations, including all precautions of the Bloodborne Exposure Control Plan.
24. Perform other duties and assume other responsibilities as assigned by the Director of Special Services.

Term of Employment: Calendar Year

Evaluation: Performance effectiveness will be evaluated in accordance with the provisions of Kansas Statutes and Board of Education policy.

Director of Public Relations Job Description

Purpose: The Communications and Public Relations Director collects and disseminates information about all facets of school district business. The goal is to promote the Turner Schools and education in general, and to ensure that all those having an interest in the Turner Schools are fully and accurately informed about district purposes, policies, and activities. The Director works closely with district staff and administration, with area news media, and with local, state, and national education agencies and professional organizations.

Responsible to: Superintendent of Schools

Payment rate: Salary and benefits as established by the Board of Education

Qualifications:

1. Appropriate certification for the position.
2. At least five years' experience in a responsible position in a public school setting.
3. A degree, significant experience, and/or other evidence of outstanding professional and journalistic writing abilities.
4. Training and/or other evidence of sound, tasteful graphic design and print layout skills.
5. Advanced desktop publishing skills and knowledge of professional printing standards and processes.
6. Experience and skill in still photography and video production.
7. Health and Inoculation Certificate on file in the Central office.
8. Desire to continue career improvement by enhancing skills and job performance.

Essential Functions:

1. Manage a coordinated program of public information through district publications and productions, area news media, and personal contact with staff and community members.
2. Promote the value of education among students, staff, patrons, and the public at large.
3. Communicate and work effectively and cooperatively with the school board, district staff, patrons, community organizations, and area news media representatives.
4. Work to implement the vision and mission of the District.
5. Supervise, direct, motivate, and correct the performance of the Parent/Community Liaison.
6. Model commitment and dedication to work.
7. Work independently and without supervision to complete work in an efficient manner.

Physical Requirements/Environmental Conditions:

1. Requires prolonged sitting or standing.
2. Occasionally requires physical exertion to manually move, lift, carry, pull, or push heavy objects or materials.
3. Occasionally requires stooping, bending, and reaching.
4. May occasionally work in a noisy and crowded environment, with numerous interruptions.
5. Requires some travel.
6. May require evening and weekend work.

General Responsibilities:

1. Supervise "Community Connections" Strategic Planning group.
2. Write content for, publish and distribute the quarterly district newspaper, The Turner Today, to all District patrons, staff, and selected local and state school agencies and leaders.

3. Write and produce district and school handbooks, brochures, calendar, promotional announcements, advertisements, videos, and other material as requested.
4. Write, publish, and distribute district staff communication as needed.
5. Assist parents with access to information and communication resources such as Infinite Campus, SchoolMessenger, district website and other available tools.
6. Create and update online parent resources and printed materials as needed.
7. Manage the district website.
8. Communicate with school sites regarding parent and student needs.
9. Participate in statewide public relations efforts through the Kansas School Public Relations Association.
10. Follow state/federal legislation and other government and private proposals and actions which may affect schools. Communicate these items to stakeholders as needed.
11. Write and distribute press releases on events/topics of interest to area media.
12. Arrange frequent media coverage of school programs/activities which showcase positive student and/or staff accomplishments.
13. Provide writing and other technical help to district staff as requested.
14. Arrange for school tours.
15. Stay abreast of new technologies to facilitate and support student learning, data management, and communication.
16. Keep student and personnel information and records confidential.
17. Serve as liaison to Turner Recreation Commission.
18. Other duties as assigned by the Superintendent.

Term of Employment: 12 months, July 1, through June 30.

Evaluation: Performance effectiveness evaluated in accordance with Kansas Statutes and Board of Education Policy.

Approved:
4/20/21

Director of Special Services Job Description

Purpose: The Director of Special Services plans, implements and assumes oversight of the policies and procedures of special education and related programs. The Director coordinates with district and building administrators to implement, guide, and evaluate programming for students receiving special services in accordance with federal and state mandates and to support the district's mission for all students.

Responsible to: Assistant Superintendent of Student Services

Payment rate: Salary and benefits established by the Board of Education

Qualifications:

1. Masters Degree in School Leadership and endorsement in at least one area of Special Education from an accredited institution.
2. Current Kansas Professional Education License in Administration and Special Education.
3. At least three years of teaching special education and/or a related experience. Prior leadership and/or administrative experience are preferred.
4. Health and Inoculation Certificate on file in the Office of Administrative Services (after employment offer is made).
5. Desire to continue career improvement by enhancing skills and job performance.

Essential Functions:

Note: When Special Services are referenced in this document, this includes special education, English Language Learners, Parents as Teachers, At-Risk Preschool, Homebound, Library, 504, and School Nursing services.

1. Provide leadership in organizing, supervising, and evaluating the effective delivery of research-based special education services.
2. Advocate for services that provide each student with the opportunity to make meaningful educational progress and to achieve an optimum level of cognitive, academic, communication and behavioral skills needed for school achievement.
3. Establish a positive learning environment throughout the district and adhere to the professional educator code of ethics.

4. Ensure all programs and activities conform to Federal, State, and District regulations and/or guidelines.
5. Communicate and work effectively and cooperatively with members of the school district and community organizations/agencies to promote a positive, instructionally effective school climate.
6. Operate equipment including technology if needed to perform assigned duties.
7. React to change and frequent interruptions in a productive manner, meeting deadlines as assigned.
8. Implement the vision and mission of the district.

Physical Requirements/Environmental Conditions:

1. Must occasionally work in noisy and crowded environments, with numerous interruptions.
2. Have ability to travel in personal or school district vehicle.
3. Be flexible regarding scheduling, working conditions, and locations.
4. May require some physical exertion.

General Responsibilities:

1. Coordinate all related programming for special services.
2. Provide leadership within the Special Services Department to monitor the achievement of special needs students and children and to ensure school, district, state and federal policies and procedures, i.e. IDEA and NCLB, are up-to-date and successfully implemented.
3. Assume responsibility for the development of a wide variety of resources, i.e. documentation and other related laws and procedures, professional development for certified and classified special services staff, Management Information System (MIS), and Individual Education Plans (IEP), and Limited English Proficient (LEP) programming.
4. Assume responsibility for the submission of federal and state reports including State Performance Indicators, funding applications, Medicaid, MIS/IEP records, Personnel Web System, Special Education Audits, Title II and Bilingual state

reporting, and other initiatives adopted by the Kansas State Department of Education.

5. Collaborate with the Business Office to develop responsible budgets for Special Services programming.
6. Collaborate with the Office of Administrative Services to recruit, select, assign, and evaluate special needs programming related staff.
7. Coordinate the delivery of services for alternative instruction, i.e. FOCUS, STEP, and Homebound.
8. Provide effective, applicable professional development opportunities to certified and classified special education staff and when applicable, to general education professionals.
9. Present or delegate periodic reports on the status of special services initiatives to the Board of Education.
10. Maintain comprehensive student records using technology whenever possible and disseminate information to teachers and parents according to laws and procedures related to student confidentiality.
11. Provide leadership in the development and evaluation of the school improvement process and set high expectations for student achievement and behavior.
12. Maintain an adequate inventory of resources and supplies to support fiscal and student achievement accountability.
13. Facilitate communication between personnel, students, parents, and/or patrons for the purpose of evaluating situations, solving problems, and/or resolving conflicts.
14. Coordinate scheduled meetings with related service providers, and special services staff to promote departmental and district priorities, collaboration and professional expectations.
15. Remain up-to-date regarding current special services state and federal laws and regulations and ensure administrative and instructional staff are informed of, and acting in compliance with the latest requirements.
16. Participate in efforts to positively promote the school district and the Special Services Department with community partners, stakeholders, parents, and patrons and whenever possible to increase the understanding of the educational needs of special needs children.

17. Attend appropriate district, local, and state administrative meetings and be an active participant in school/district committees, and when appropriate, IEP and other team meetings, parent conferences, and staffings.
18. Demonstrate effective interpersonal relationships with students, parents, staff and the community.
19. Maintain confidential records and provide timely reports.
20. Respond to requests in a cooperative, courteous, and timely manner.
21. Attend professional development in order to implement and follow all Federal, State, and District special services related regulations and guidelines, health and safety procedures and policies, and employee obligations, including all precautions of the Bloodborne Exposure Control Plan.
22. Coordinate district library department and related programming.
23. Coordinate Reading is Fundamental (RIF) programming and related budgets.
24. Coordinate 504 and Student Improvement Team (SIT) related programming.
25. Perform other duties and assume other responsibilities as assigned by the Assistant Superintendent of Student Services.

Term of Employment: 12 Months (251 Days)

Evaluation: Performance of this job will be evaluated in accordance with the provisions of the Board's policy of evaluation of administrative personnel.

Elementary Instructional Coach/ Title I Teacher Job Description

Purpose: The instructional coach will positively impact student achievement through the effective implementation of the school improvement plan and district strategic plan. Working in strategic, collaborative partnerships, instructional coaches serve as advocates for continuous improvement by focusing on student outcomes and supporting teachers through job embedded professional development. The Title I Teacher creates a positive learning environment to facilitate the personal, social, and intellectual development of students, with a special focus on remediation of reading and math. To respond to the individual needs and abilities of students, the Title I Teacher must work closely with other staff and administration of the District.

Responsible to: Assistant Superintendent of Student Services, or designee

Supervises: N/A

Payment rate: Salary and benefits determined by Negotiated Agreement

Qualifications:

1. Appropriate certification for the position.
2. Minimum of three years successful experience in teaching and/or demonstrated qualities consistent with a master teacher.
3. Health and Inoculation Certificate on file in the Central Office (after employment offer is made).
4. Desire to continue career improvement by enhancing skills and job performance.

Essential Functions (Elementary Instructional Coach):

1. Provide on-going professional development at a variety of levels: individual, grade level, school-wide, interest/study groups.
2. Provide instructional support through planning, modeling, co-teaching, and reflection.
3. Attend professional development and specified training to enhance knowledge and skills.
4. Observe student response to instruction, providing constructive feedback to staff.
5. Serve as an assessment resource.
6. Assist in the collection, analysis, and presentation of student assessment data.

7. Assist in the planning and implementation of standards-based curriculum.
8. Provide classroom support in the implementation of standards-based curriculum and best practices.
9. Assist in the organization, maintenance, and distribution of curricular materials.
10. Provide coordination and training of general education support staff to address learning needs of at-risk students.
11. Track progress of at-risk students/student improvement plans.
12. Assist the principal and school improvement team in the planning and implementation of the school's effort to increase student achievement in all areas.
13. Meet regularly with the principals to assess needs and coordinate support activities.
14. Support Title I parent involvement related partnerships/activities in the schools.

Essential Functions (Title I Teacher):

1. Ability to facilitate the personal, social, and intellectual development of students.
2. Ability to establish a positive learning environment and respond to the individual educational needs of students.
3. Ability to ensure all activities conform to District guidelines.
4. Ability to communicate and work effectively and cooperatively with members of the school district and community.
5. Ability to react to change in an instructional and productive manner, and handle other tasks as assigned.

Alternative Services Facilitator (Homebound)
Job Description

Purpose: The Alternative Services Facilitator creates a positive learning environment to facilitate the personal, social, and intellectual development of students. In order to respond to the individual needs and abilities of students, the Alternative Services Facilitator must work closely with the staff, administration, and parents of the school district. Students served are those who cannot attend classes in their home schools, or who require specific accommodations due to medical or legal restrictions.

Responsible to: Director of Special Services

Payment rate: According to negotiated agreement

Qualifications:

1. Bachelors Degree from an accredited college/university.
2. Current Kansas State Certificate with endorsement in Learning Disabilities or Interrelated Special Education on file in the Central Office.
3. Health and Inoculation Certificate on file in the Central Office (after employment offer is made).
4. Desire to continue career improvement by enhancing skills and job performance.

Essential Functions:

1. Ability to facilitate the personal, social, and intellectual development of students.
2. Ability to establish a positive learning environment and respond to the individual educational needs of students.
3. Ability to ensure all activities conform to Federal, State and District guidelines.
4. Ability to communicate and work effectively and cooperatively with members of the school district and community.
5. Ability to appropriately operate all equipment as required.
6. Ability to react to change in an instructional and productive manner, and handle other tasks as assigned.

7. Ability to advocate with staff and administration for best practices to meet the needs of identified students.
8. Ability to work to implement the vision and mission of the school district.
9. Ability to work with technology/computer systems.
10. Ability to supervise, direct, motivate, and correct employee's job performance.
11. Ability to model commitment and dedication to work.
12. Ability to work independently and without supervision, and complete work in an efficient manner.

Physical Requirements/Environmental Conditions:

1. Must maintain an environment where all children can learn at their level of instruction.
2. Must occasionally work in noisy and crowded environments, with numerous interruptions.
3. May require some physical exertion, such as stooping, bending, kneeling, reaching and turning.
4. Requires some travel.
5. Will require instruction in home settings.

General Responsibilities:

1. Ability to comply with federal law and state regulations regarding special education programs, compliance, and accompanying documents.
2. Ability to assist administrative staff and, when applicable, the IEP, Section 504, or other problem-solving team, in determining a student's need for alternative education services.
3. Ability to obtain documentation from administrative staff, parent, and physician when student has been referred for homebound/hospital services.
4. Ability to contact appropriate authorities when a student is court-ordered to be placed in an alternative setting.

5. Ability to plan, provide and/or coordinate the delivery of educational services/materials according to the student's placement once alternative services are needed. Maintain written documentation regarding grades/credit earned during alternative placement.
6. Ability to collaborate with instructional staff and coordinate with professional staff, i.e., individualized instruction, occupational and physical therapy regarding a student's special instructional needs and the provision of educational materials.
7. Ability to assist with the writing of a student's individual education plan (IEP), Section 504 accommodation plan, and/or functional assessment and behavior management plan when applicable to an alternative setting. Serve as case manager during alternative placement.
8. Ability to attend appropriate meetings to monitor student's progress in an alternative setting.
9. Ability to assist with the transition needs of a student when returning to the home school setting.
10. Ability to keep current on special education law by reading professional journals and attending related professional meetings and workshops.
11. Ability to adhere to required program guidelines as defined by the Kansas Plan for Special Education and Turner Special Education Procedural Manual.
12. Ability to display a thorough knowledge of general and Special Education curriculum and subject matter, and practice effective instructional strategies.
13. Ability to demonstrate awareness of the educational needs of students and provide for individual differences.
14. Ability to set high expectations for student achievement and behavior.
15. Ability to consult with parents, teachers, administrators, and others concerning the needs of students and special services that are available.
16. Ability to assist with public awareness activities leading to a better understanding of the needs of exceptional children.
17. Ability to assist students in developing feelings of self-worth and in making social adjustments, permitting them to cope with disabilities.

18. Ability to order and maintain an adequate inventory of materials and supplies according to the current budget.
19. Ability to obtain advance approval for all special activities and expenditures from the Supervisor of Special Services according to the current budget.
20. Ability to maintain appropriate, confidential records and provide timely reports.
21. Ability to keep student information and records confidential.
22. Ability to observe and follow all school district policies during all activities.
23. Ability to refer students and their families to appropriate community agencies and services in collaboration with other team members.
24. Ability to implement and follow all District health and safety policies, including all precautions of the Bloodborne Pathogens Exposure Control Plan.
25. Ability to perform other duties and assume other responsibilities as assigned by the Principal and/or Supervisor of Special Services in accordance with negotiated Agreement.

Instructional Paraeducator Job Description

Purpose: The Instructional Paraeducator assists the Instructor in creating a positive learning environment to facilitate the personal, social, and intellectual development of students. To accomplish these tasks, the Instructional Paraeducator works closely with the staff, administration, and parents of the school district.

Responsible to: Principal and Supervisor of Special Services

Payment rate: Salary and benefits as established by the Board of Education

Qualifications:

1. High school diploma or equivalent.
2. Current Kansas Paraprofessional Permit on file in the Central Office.
3. Adequate employment rating, including math and spelling ability tests, interview, references, and previous experience with children.
4. Health and Inoculation Certificate on file in the Central Office (after employment offer is made).
5. Additional qualifications as the Board of Education may determine appropriate.
6. Desire to continue career improvement by enhancing skills and job performance.

Essential Functions:

1. Ability to assist in facilitating the personal, social, and intellectual development of students.
2. Ability to assist in establishing a positive learning environment, and respond to the individual educational needs of students.
3. Ability to ensure all activities conform to Federal, State, and District guidelines.
4. Ability to communicate and work effectively and cooperatively with members of the school district and community.
5. Ability to react to change and frequent interruptions in a productive and positive manner, and handle other tasks as assigned.

6. Ability to operate all classroom equipment appropriately.
7. Ability to approach each task as a challenge to be met successfully.
8. Ability to suggest best practices to meet the needs of identified students with staff and administration.
9. Ability to work to implement the vision and mission of the school district.

Physical Requirements/Environmental Conditions:

1. Requires physical exertion to manually move, lift, carry, pull, or push heavy objects or materials.
2. Requires standing, stooping, bending, kneeling, reaching, and turning.
3. Requires some travel.
4. Must occasionally work in noisy and crowded environments with numerous interruptions.
5. Ability to effectively and safely restrain a special student as necessary.
6. Demonstrate good personal hygiene.
7. Ability to be flexible regarding scheduling, working conditions, and locations.
8. Must possess good judgment.

General Responsibilities:

1. Ability to make student learning fun and interesting.
2. Ability to motivate students through effective communication and feedback.
3. Ability to treat each child with respect and firmness, and be responsive to individual educational needs.
4. Ability to work with individual students and/or small groups of students in teacher-planned instructional activities.
5. Ability to guide a student's independent study as assigned by teacher, including remedial instruction.

6. Ability to assist with the preparation, care and use of instructional materials and equipment.
7. Ability to assist with maintaining desirable student behavior and classroom management.
8. Ability to assist with supervision of students during the teacher's temporary absence, i.e., IEP meetings or emergencies.
9. Ability to assist with checking and/or scoring of objective assignments/tests, recording grades, and/or keeping appropriate student observation records.
10. Ability to participate in IEP meetings upon parent and/or teacher request.
11. Ability to assist with teacher-planned activities needed for completion of student's IEP goals and objectives, and monitor progress when requested by teacher.
12. Ability to supervise and maintain a safe and orderly environment in the lunchroom, playground, and extracurricular trips, and when moving students from place to place, such as bus and restroom.
13. Ability to assist occasionally with clerical duties required for success of special education students.
14. Ability to assist students with personal tasks, i.e., eating, walking, toileting, wheelchair, special equipment, and hygiene needs, when applicable.
15. Ability to participate in monthly staff development opportunities related to meeting the educational needs of special education students.
16. Ability to set high expectations for student achievement and behavior.
17. Ability to demonstrate effective interpersonal relationships with others.
18. Ability to attend staffings and general staff meetings when possible.
19. Ability to work effectively with students, teachers, parents, community agencies, and other groups.
20. Ability to keep student information and records confidential.

21. Ability to immediately report accidents, assaults, destruction of property, and abusive behavior to the Instructor and Principal.
22. Ability to keep current on new information, innovative ideas and techniques by attending staff development activities and participating in professional growth opportunities.
23. Ability to observe and follow all school district policies at all times.
24. Ability to respond to information requests in a cooperative, courteous, and timely manner.
25. Ability to implement and follow all required program guidelines as defined by the Kansas Plan for Special Education and Turner Special Education Procedural Manual.
26. Ability to implement and follow all District health and safety policies, including all precautions of the Bloodborne Pathogens Exposure Control Plan.
27. Ability to perform other duties and assume other responsibilities assigned by the Teacher, Principal, or Supervisor of Special Services

Term of Employment: Academic year plus other days as assigned.

Evaluation: Performance effectiveness evaluated in accordance with Kansas Statutes and Board of Education Policy.

Approved:

**Food & Nutrition Services Assistant Manager
Job Description**

Purpose: The Food & Nutrition Services Assistant Manager assists the Manager in supervising and coordinating food services to ensure nutritional and safe food handling requirements are consistently met and that the food services programs are efficient, accountable and responsible in use of all resources. To accomplish these tasks, the Food & Nutrition Services Assistant Manager must work closely with the cafeteria manager, staff and administration of the District and the Food & Nutrition Services Department.

Responsible to: Food & Nutrition Services Manager and Supervisor of Food & Nutrition Services.

Supervises: Assigned school food services staff.

Payment rate: Salary and benefits as established by the Board of Education.

Qualifications:

1. One year documented employment experience in school food service or equivalent position.
2. Health and Inoculation Certificate on file in the Central Office, after employment offer is made. Must maintain current TB testing as required by Health Department Regulations.
3. Ability to maintain strict confidentiality when processing student meal benefit eligibility data.
4. Demonstrated enthusiasm and support for school based Child Nutrition programs and their goal of safeguarding the health and welfare of students through sound dietary and physical activity habits.
5. Ability to work effectively and independently without direct supervision as well as to work effectively in collaborative efforts.
6. High school diploma or GED encouraged and preferred.
7. Ability to read and compute as is necessary to follow written instructions and to record required meal production and service data.
8. Desire to continue career improvement by enhancing skills and job performance.

Essential Functions:

1. Assist the Food & Nutrition Services Manager in supervising and coordinating food services to ensure nutritional and safe food handling requirements are consistently met and that the food services programs are efficient and responsible in use of all resources.
2. Assist manager to ensure all activities conform to District guidelines.

3. Communicate and work effectively and cooperatively with members of the District staff, students and school community.
4. React to change and frequent interruptions productively and in a positive manner, meeting deadlines as assigned.
5. Appropriately operate all equipment as required.
6. Support the value of an education and of personal wellness practices.
7. Support the vision and mission of the District and of the Food & Nutrition Services Department.

Physical Requirements/Environmental Conditions:

1. Must able to lift a maximum of 30 pounds and have the ability to withstand prolonged periods of standing or sitting, to work in both and hot and cold environments; to work with and around cleaning and sanitizing chemicals and products and to perform other physical tasks commonly associated with school food service operations such as bending, lifting, stooping, reaching, pulling and/or pushing heavy objects and materials.
2. Must be able to work effectively in noisy and crowded environments.
3. Must be able to work around fumes and odors.

General Responsibilities:

1. Assist Food & Nutrition Services Manager in scheduling and supervising staff.
2. Assist Manager in supervising and coordinating food services to ensure nutritional and safe food handling requirements are consistently met and that the food services programs are efficient, accountable and responsible in use of all resources.
3. Practice and model safe and efficient food handling skills to ensure all Health Department requirements are routinely met.
4. Assume the duties of Manager (food and supply ordering, storage and inventory; food preparation and service; daily meal and income activity records; daily income and deposit records; employee time sheets and absence reports) in his/her absence to maintain smooth cafeteria operations.
5. Function as interim manager in other facilities when needed due to temporary-emergency situations.
6. Comply with established regulations and/or quality standards when receiving, storing, preparing and serving foods.

7. Attend job related training classes, including district in-service programs, related to employment within the district and to school food service management in order to expand skill level and to maintain current knowledge of State, Federal and local regulations governing school food service programs.
8. Promote and build support for child nutrition programs by developing & implementing special cafeteria events, nutrition education & community awareness programs/activities.
9. Seek opportunities to build managerial skills and program knowledge through professional networking, involvement in the endeavors of industry related professional organizations and participation in internal/external job training opportunities.
10. Perform any food preparation and/or service task as required to provide “customer friendly,” quality meal service within established time frame(s) and to maintain a clean and orderly work environment.
11. Observe and follow all school district policies at all times.
12. Respond to information requests from students, parents, district staff and school community in a cooperative, courteous and timely manner.
13. Observe and implement all District health and safety policies, including all precautions of the Bloodborne Pathogen Exposure Control Plan.
14. Accept temporary assignments in ‘other’ district school cafeteria operations, as might be required in emergency situations.
15. Perform such other tasks and assume such other responsibilities as directed by the Supervisor of Food & Nutrition Services, Manager or Building Principal.

Term of Employment: Academic year as calendared plus other days as assigned.

Evaluation: Performance effectiveness evaluated in accordance with Kansas Statutes and Board of Education Policy.

Approved:
7/17/07

Food & Nutrition Services Service Coordinator

PURPOSE:

The Food and Nutrition Service Coordinator will effectively provide the support services necessary to maintain an efficient food services program. To accomplish these tasks, the Service Coordinator must work closely with the Director of Food Service, Food Service Management Company, school and district administrators and the Food & Nutrition Services Department staff. In addition, the Food and Nutrition Service Coordinator will communicate and assist parents and guardians with USDA requirements including breakfast/ lunch participation.

RESPONSIBLE TO: Assistant Superintendent of Administrative Services

SUPERVISES: N/A

PAYMENT RATE: Salary and benefits as established by the Board of Education.

Qualifications:

1. One year documented employment experience in school food service or equivalent position.
2. Health and Inoculation Certificate on file in the Central Office, after employment offer is made. Must maintain current TB testing as required by Kansas Department of Education and District.
3. Maintain strict confidentiality when processing student meal benefit eligibility data and payment history.
4. Demonstrate enthusiasm and support for school based Child Nutrition programs and their goal of safeguarding the health and welfare of students through sound dietary and physical activity habits.
5. Ability to work effectively and independently without direct supervision as well as to function effectively in collaborative efforts.
6. High school diploma or GED.
7. Read, compute and observe as necessary to follow written and on-site instructions. Maintain required documentation of meal production, service, income, payment data and other related tasks.
8. Desire to continue career improvement by enhancing skills and job performance.
9. Must possess valid motor vehicle operator's license and be able to provide own transportation to school work sites.

Physical Requirements/Environmental Conditions:

1. Must be able to lift a maximum of 30 pounds and have the ability to withstand prolonged periods of standing or sitting, to work in both hot and cold environments; to work with and around cleaning and sanitizing chemicals and products and to perform other physical tasks commonly associated with school food service operations such as bending, lifting, stooping, reaching, pulling and/or pushing heavy objects and materials.

2. Must be able to work effectively in noisy and crowded environments.
3. Must be able to work around fumes and odors.

Essential Functions:

1. Work collaboratively with the Food Service Management Company and Food Service Director to ensure food services programs are efficient, accountable, and effectively utilize available resources.
2. Ensure all activities conform to District, KSDE, and USDA guidelines.
3. Communicate and work effectively with members of the District staff, students and school community.
4. React to change and frequent interruptions productively and in a positive manner, meeting deadlines as assigned.
5. Appropriately, safely and efficiently operate all equipment as required.
6. Support the value of an education and of personal wellness practices.
7. Support the vision and mission of the District and of the Food & Nutrition Services Department.

General Responsibilities:

1. In a collaborative effort with Food and Nutrition Services Director, develop an appropriate daily task schedule.
2. Support established quality standards in areas of general communications and customer relations; facility housekeeping and sanitation; program accountability; resource management and cost containment.
3. Maintain productive and cooperative line of communication with school and district administrators and those the program serves in regard to cafeteria operations.
4. Promote and build support for child nutrition programs by developing & implementing special cafeteria events, nutrition education & community awareness programs/activities.
5. Seek opportunities to build managerial skills and program knowledge through professional networking, involvement in the endeavors of industry related professional organizations and participation in internal/external job training opportunities.
6. Participate in appropriate and continuous on-the-job training. Practice and model safe and efficient food handling skills to ensure all food safety regulations and requirements are routinely met.

7. Maintain approved systems and protocols in regard to daily meal and income activity records; employee time records and absence reports; student meal benefit eligibility status and payment history.
8. Maintain approved systems of purchasing, point-of-sale, and financial record keeping.
9. Attend job related training classes, including district in-service programs, related to employment within the district and to school food service management in order to expand skill level and to maintain current knowledge of State, Federal and local regulations governing school food service programs.
10. Perform daily staffing and substitute calling as necessary.
11. Perform any food preparation and/or service task as required to provide “customer friendly,” quality meal service within established time frame(s) and to maintain a clean and orderly work environment.
12. Observe and follow all school district policies at all times.
13. Respond to information requests from students, parents, district staff and school community in a cooperative, courteous and timely manner.
14. Observe and implement all District health and safety policies, including all precautions of the Bloodborne Pathogen Exposure Control Plan.
15. Accept temporary assignments in ‘other’ district school cafeteria operations, as might be required in emergency situations.
16. Attend district and state meetings as required.
17. Train and assist food service staff with appropriate skills including acceptable safety and sanitation procedures.
18. Perform such other tasks and assume such other responsibilities as directed by the Supervisor of Food & Nutrition Services or Building Principal.

Term of Employment: Academic year as calendared plus other days as assigned.

Evaluation: Performance effectiveness evaluated in accordance with Kansas Statutes and Board of Education Policy.

8. Desire to continue career improvement by enhancing skills and job performance.

Essential Functions:

1. In performance of duties and as a representative of the District, conform to all District guidelines.
2. Communicate and work effectively and cooperatively with members of the District staff, students and school community.

3. React to change and frequent interruptions productively and in a positive manner, meeting deadlines as assigned.
4. Serve as substitute worker in other cafeteria operations when called upon to cover a staff absence, a position vacancy, or to assist with special cafeteria needs.
5. Prepare and serve food in full compliance with nutritional requirements, food safety regulations and customer service standards.
6. Appropriately, safely and efficiently operate and maintain all equipment associated with position.
7. Support the value of an education and of personal wellness practices.
8. Support the vision and mission of the District and of the Food & Nutrition Services Department.

Physical Requirements/Environmental Conditions:

1. Must able to lift a maximum of 30 pounds and have the ability to withstand prolonged periods of standing or sitting, to work in both hot and cold environments; to work with and around cleaning and sanitizing chemicals and products and to perform other physical tasks commonly associated with school food service operations such as bending, lifting, stooping, reaching, pulling and/or pushing heavy objects and materials.
2. Must be able to work effectively in noisy and crowded environments.
3. Must be able to work around fumes and odors.

General Responsibilities:

1. Attend job related training classes and work-shops, including District sponsored in-service programs.
2. Practice safe and efficient food handling skills to ensure all food safety regulations are routinely met.
3. Comply with established regulations and/or quality standards when receiving, storing, preparing and serving foods.
4. Perform any food preparation, service and/or housekeeping tasks as required to provide "customer friendly," quality meal service within established time frame(s) and to maintain a clean and orderly work environment.

5. When trained and assigned to program accountability tasks, collect and process meal payments and daily bank deposits and provide financial and meal activity reporting services using an approved automated point of sale system.
6. Maintain strict confidentiality regarding student meal benefit status and meal activity and payment history.
7. Observe and follow all school district policies at all times.
8. Respond to information requests from students, parents, district staff and school community in a cooperative, courteous and timely manner.
9. Observe and implement all District health and safety policies, including all precautions of the Bloodborne Pathogen Exposure Control Plan.
10. Perform such other tasks and assume such other responsibilities as directed by the Food & Nutrition Services Supervisor, Manager, Assistant to Manager or Building Principal.

Term of Employment: Academic year as calendared plus other days as assigned.

Evaluation: Performance effectiveness evaluated in accordance with Kansas Statutes and Board of Education Policy.

Approved:

**Food & Nutrition Services Training & Technology Support Technician
Job Description**

Purpose: The Food & Nutrition Services Training and Technology Support Technician provides office, clerical, training and technical support to assist with the efficient operation of the school district and the food services department. This technician also functions as a food service manager or production technician when necessary. To accomplish these tasks, the Training & Technology Support Technician works closely with the staff and administration of the district and food services department.

Responsible to: Supervisor of Food & Nutrition Services.

Payment rate: Salary and benefits as established by the Board of Education.

Qualifications:

1. High school diploma or GED.
2. Health and Inoculation Certificate on file in the Central Office, after employment offer is made. Maintain current TB testing as required by Health Department regulations.
3. One year documented employment experience as computer technician, trainer, food service manager or equivalent position.
4. Experience in using various computers and computer programs, as well as knowledge of various office machines and telecommunications equipment.
5. Demonstrated effective and appropriate communication skills, both oral and written, when working with and around adults and/or children.
6. Ability to maintain strict confidentiality when processing student and household data, including income information and Social Security numbers.
7. Demonstrated enthusiasm and support for school based Child Nutrition programs and their goal of safeguarding the health and welfare of students through sound dietary and physical activity habits.
8. Desire to continue career improvement by enhancing skills and job performance.
9. Ability to work effectively and independently without direct supervision as well as to function effectively and cooperatively in collaborative efforts.

Essential Functions:

1. Provide office, clerical, training and technical support to assist with the efficient operation of the school district, and specifically the Food Services Department.
2. Ensure that all activities conform to District guidelines.

3. Communicate and work effectively and cooperatively with members of the District staff, students and school community.
4. React to change and frequent interruptions productively and in a positive manner, meeting deadlines as assigned.
5. Appropriately, safely and efficiently operate all equipment as required.
6. Support the value of an education and of personal wellness practices.
7. Support the vision and mission of the District and of the Food Services Department.

Physical Requirements/Environmental Conditions:

1. Must be able to manually lift a maximum of 30 pounds and have the ability to withstand prolonged periods of standing or sitting; to work in both hot and cold environments; to work with and around cleaning and sanitizing chemicals and products; and to perform other physical tasks commonly associated with school food service operations such as bending, lifting, stooping, reaching, pulling and/or pushing heavy objects or materials.
2. Must be able to work effectively in noisy and crowded environments.
3. Ability to work around fumes and odors.

General Responsibilities:

1. Provide training and technical support to assist with the efficient operation of the Food & Nutrition Services Department.
2. As requested by Supervisor of Food & Nutrition Services, function as a substitute food service worker, performing any/all tasks commonly associated with school food service operations while complying with all safe food handling rules and program regulations and established customer service standards.
3. Receive and process through an approved software system all household meal benefit applications in a timely and efficient manner so as to comply with all Federal and State processing mandates and as instructed by Supervisor of Food Services.
4. Maintain accurate and current listing of students by meal category.
5. Process in strict accordance to established guidelines and per instruction of Supervisor of Food & Nutrition Services all requests for information related to students qualifying for school meal benefits.
6. Assist Supervisor of Food & Nutrition Services in coordinating and implementing the required meal benefit application verification procedure, in accord with all/any Federal, State or local directions, mandates and deadlines.

7. Maintain and update nutrient analysis and menu development data through approved software system and provide, as requested, specific product information, food production records and menu plans.
8. Adhere to all health and safety policies, including all precautions of the Bloodborne Pathogen Exposure Control Plan.
9. Attend job related training classes, including district in-service programs, to update and expand skills.
10. Seek opportunities to build technical skills and program knowledge through professional networking, involvement in the endeavors of industry related professional organizations and participation in internal/external job training opportunities.
11. Perform such other tasks and assume such other responsibilities as requested by the Supervisor of Food & Nutrition Services.

Term of Employment: Academic year as calendared plus other days as assigned.

Evaluation: Performance effectiveness evaluated in accordance with Kansas Statutes and Board of Education policy.

Head Custodian Job Description

Purpose: The Head Custodian is an important member of the school staff as he/she must continually strive to maintain and improve the physical environment in which learning takes place. This effort requires not only his/her assistance as directed by the Property Services Supervisor and Principal, but also the ability to “see” needs and correct them without specific direction.

Responsible to: Property Services Supervisor and Principal

Supervises: Custodial staff of the assigned facility.

Payment rate: Salary and benefits as established by the Board of Education

Qualifications:

1. High school diploma or equivalent.
2. Health and Inoculation Certificate on file in the Central Office (after employment offer is made).
3. Five years’ experience as a school custodian or the equivalent in custodial service in other institutions or firms.
4. Demonstrated knowledge and expertise in the basic techniques of electrical repair and maintenance, carpentry, and ground maintenance.
5. Ability to manually lift a maximum of 60 pounds.
6. Desire to continue career improvement by enhancing skills and job performance.

Essential Functions:

1. Ability to provide a safe, attractive, comfortable, and clean environment to ensure full and productive use of District facilities.
2. Ability to coordinate and supervise the activities of the custodial staff.
3. Ability to promote a caring, helping attitude toward staff, students, and patrons, and convey that attitude in all that he/she does.

4. Ability to supervise, motivate, and direct employees to develop to fullest potential.
5. Ability to ensure all activities conform to District guidelines.
6. Ability to communicate and work effectively and cooperatively with members of the school district and community.
7. Ability to react to change and frequent interruptions in a productive and positive manner, meeting deadlines as assigned.
8. Ability to maintain a positive work attitude and show enthusiasm for work.
9. Ability to operate all equipment and machinery appropriately as required.
10. Ability to work to implement the vision and mission of the District.

Physical Requirements/Environmental Conditions:

1. Requires physical exertion to manually move, lift, carry, pull, or push heavy objects or materials, maximum of 60 pounds.
2. Requires stooping, kneeling, crawling, bending, turning, and reaching.
3. Requires climbing and balancing.
4. Must work indoors and outdoors year-round.
5. Must occasionally work in noisy and crowded environments, with numerous interruptions.
6. Must work in and around dust, fumes, and odors.

General Responsibilities:

1. Ability to receive, deliver, and store all school supplies.
2. Ability to set up for assemblies, preparing the cafeteria for lunch, moving school personnel and their equipment within the building.
3. Ability to assist in the cafeteria during lunch as instructed by the principal.

4. Ability to exercise appropriate judgment and initiative to handle emergency situations as they arise. Such things as spills, sick students, stopped-up stools, and broken glass must be handled immediately and expeditiously, along with regular duties.
5. Ability to maintain a clean building. Areas not used for instruction during the day are the head custodian's major responsibility to keep clean. The boiler room, head custodian's office, fan rooms and the cafeteria should be cleaned by the head custodian so that night custodians can clean classrooms, restrooms and other high-use areas. The halls should be swept during the day as needed, at least once in the a.m. and p.m.
6. Building maintenance is a daily responsibility. The following maintenance needs should be identified as the head custodian performs his/her regular duties and either corrected or reported to the Property Services Supervisor.

Electrical:	Replacement of light bulbs
Plumbing:	Replacement of washers in faucets Replacement of pee traps and washers Cleaning out pee traps and small drains
Miscellaneous:	Replacement of broken floor tiles Replacement of damaged ceiling tiles Minor locker repair Snow removal on sidewalks

Each building has been issued tools/equipment to facilitate the above custodial duties. The head custodian will be responsible for keeping accurate, current inventory records of the assigned tools/equipment, and will be held accountable for the loss of assigned tools/equipment.

7. The head custodian is the custodial team leader and must instruct his/her employee(s) as to duties and techniques, communicate with them daily, constructively critique their work, and evaluate their performance.
8. Ability to implement the wishes of the school principal to facilitate the smooth operations of the school program.
9. Ability to maintain grounds, mowing, and trimming to conform to District standards.

10. Ability to observe and follow all school district policies at all times.
11. Ability to respond to information requests in a cooperative, courteous, and timely manner.
12. Ability to keep student and personnel information and records confidential.
13. Ability to implement and follow all health and safety policies, including all precautions of the Bloodborne Pathogens Exposure Control Plan.
14. Ability to perform other tasks and assume other responsibilities as assigned by the principal, Custodial Supervisor, or other administrative staff.

Term of Employment: 12 months, July 1 through June 30.

Evaluation: Performance effectiveness evaluated in accordance with Kansas Statutes and Board of Education Policy.

Truancy Diversion Program Coordinator Job Description

Purpose: The Truancy Diversion Program Coordinator will administer Turner's Truancy Diversion program. The Coordinator will be a liaison between the District and juvenile justice officials with the District Attorney's Office. The Coordinator will manage all associated paperwork, arrange for educational facilitators, connect families with needed community resources and provide for follow-up monitoring of students participating in the truancy program.

Responsible To: Assistant Superintendent of Student Services and Dean of Students

Payment Rate: Salary and benefits as established by the Board of Education

Qualifications:

1. Associate's degree or above in a field related to social work, public administration, law, or education; Bachelor's Degree preferred.
2. Health and Inoculation Certificate on file in the Central Office (after employment offer is made.)
3. Experience in using various computer software applications, specifically filtering data, as well as various office machines and telecommunications equipment.

Essential Functions:

1. Communicate and work effectively and cooperatively with members of the school district and community.
2. Work effectively with truant students and their families.
3. Possess energy and enthusiasm toward creating an effective program that reduces non-attendance.
4. Provide leadership necessary to organize and implement educational presenters for the Truancy Diversion Program.
5. Develop an educational program for students in the Truancy Diversion Program and their parents.
6. Identify and coordinate monitors to provide follow-up with students as they progress through the Diversion Program.
7. Connect families struggling with attendance with appropriate school and community resources.
8. Manage case files and keep records timely and accurately.
9. Organize, plan, and administer a variety of activities.
10. Learn about the juvenile justice system, truancy laws, school district policies and attendance programs.
11. Work creatively to initiate a new program.

Physical Requirements/Environmental Conditions:

1. Work in noisy and crowded conditions with numerous interruptions.
2. Meet deadlines under stressful conditions.
3. Requires occasional stooping, bending, kneeling, reaching, and turning.
4. Requires prolonged sitting or standing and use of equipment including repetitive motions and computer eye fatigue.

General Responsibilities:

1. Work cooperatively with school administrators and other staff to administer the Truancy Diversion Program and promote student attendance.
2. Develop a training program for students in the Truancy Diversion Program and their parents.
3. Accurately and timely complete all paperwork associated with the District Attorney's office.
4. Organize monitoring of students in the Truancy Diversion Program.
5. Ensure a continuous program of identification, training and monitoring of truant students.
6. Always observe and follow all school district policies.
7. Respond to information requests in a cooperative, courteous, and timely manner.
8. Ability to keep student and personnel information and records confidential.
9. Implement and follow all District health and safety policies, including all precautions of the Bloodborne Pathogens Exposure Control Plan.
10. Perform other tasks and assume other responsibilities as directed by supervisor or other administrators as needed.

Term of Employment: 11 months as assigned

Evaluation: Performance effectiveness evaluated in accordance with provisions of Kansas Statutes and Board of Education Policy.

Approved:
