

## Turner Foundation Patron Pass Cards and Why Should You Buy Them!

For \$50.00 you receive 2 Foundation Patron Pass Cards.  
Each card allows one named individual into all games,  
except for post regular season games.

Here are 5 great reasons for you to buy the Pass Cards!

1. Since home games cost adults \$5.00 for entry, a Patron Pass Card holder only needs to attend **5** games to cover the cost of the pass.
2. When you buy the Patron Pass Cards, your Senior son/daughter has the opportunity to apply for a Turner Foundation Senior Scholarship.
3. You can direct \$25.00 of the \$50.00 cost of the Patron Pass Cards to go the school and/or sport/activity of your choice.
4. Your \$50.00 is tax deductible!
5. The money the Foundation receives is used to provide Teacher Classroom Grants, Senior Scholarships, and payments to workers at our concession stands that are used to support sports programs and other activities, such as Band and Cheerleading.
