TURNER MIDDLE SCHOOL
DREAMS

May 15, 2020

Dear Parents and Students,

It was wonderful seeing so many of your faces yesterday during technology check-in day here at Turner Middle School. I truly miss our TMS Family, and it was great to reconnect. For those of you who stopped by yesterday, I wish each of you a safe and wonderful summer.

If you were unable to bring your technology yesterday, we will provide additional opportunities next week:

- On Monday, May 18th from 9 AM to 2 PM, at **Turner High School**, technology staff will be on hand and have separate lines for elementary drop-off and middle school drop-off, if you couldn't make it yesterday.
- If the times on Monday don't work, building administrators will be back at TMS full-time starting on Monday. We can arrange a time next week that might better fit your schedule. I arrive to school by 7 AM, and we would be happy to meet you for drop-off by the auditorium doors. If you need to arrange a specific time, simply email me at weberw@turnerusd202.org, with a day and time next week when you can come by and we will accocomodate.
- If we do not receive technology back by the end of next week, we will follow up with a phone call to make arrangements.

Again, from the bottom of my heart, thank you for your support and patience during these challenging times. I am grateful for the opportunity to serve your students and your families. If you have any questions or I can be of any help, please email me at my address below.

Principal
